\* Account opening fee depends on check processing accounts for High-risk, Medium-risk or Low-risk company checking

Additional compliance charge can be applied for High-Risk Transfers (HRT). HRT – category of transfers related to crypto assets, PEPs, individuals for whom negative adverse media is available, or ones that triggered inquiries of our partner banks/FIs or similar. The compliance fee is 0.5% (min EUR 250 or EUR 250 per hour spent by compliance department) and may be applied to HRT or when a single transaction amount or a cumulative amount multiple transactions processed within a 24-hour interval exceeded EUR 10,000

Payments to/from high risk countries (FATF Grey list or low tax jurisdictions) are charged additional 350 EUR.

If the payment to our customer contains incomplete details and manual processing is required, we may charge additional 100 EUR for it.

Sometimes we may request supporting documentation for transactions made at our payment system. Please make sure you are able to provide them in timely manner. If we are unable to receive supporting documentation within 3 business days, we may charge late fee of 5 EUR per day starting 4th day after our request has been sent.
