Additional compliance charge can be applied for High-Risk Transfers (HRT). HRT – category of transfers related to crypto assets, PEPs, individuals for whom negative adverse media is available, or ones that triggered inquiries of our partner banks/FIs or similar. The compliance fee is 0.5% (min EUR 50 or EUR 250 per hour spent by compliance department) and may be applied to HRT or when a single transaction amount or a cumulative amount multiple transactions processed within a 24-hour interval exceeded EUR 10,000

Sometimes we may request supporting documentation for transactions made at our payment system. Please make sure you are able to provide them in timely manner. If we are unable to receive supporting documentation within 3 business days, we may charge late fee of 5 EUR per day starting 4th day after our request has been sent.
